LP Run 2013 Limericks

They ran out of luck;
But, know what that ordeal's really costin' ...

By: Lorelei d'lareza

Susan, my friend, loves each creature
From the ant to the wide-eyed owl screecher
She walks mile after mile
Shining her light with a smile

By: JoAnn Luco

1st By: JoAnn Luco

The one only two days away
The most famous run
Takes place in Boston
Never again will it finish that way.

2nd By: Sarah Hazel

Why am I here? I don't know!
To run 'round the track, I will go
You don't have to ask
I will not run fast
I'm expecting this race will be slow.
