Limerick Contest Winners:

1. Jack Lippincott
2. Kelly Jelly Belly Kerlick
3. Mike Mangan.

Jack's Limerick:

There once was a runner named John,
He liked to hang out and have fun,
The ladies would kiss him,
We're all going to miss him,
He was here a long time now he's gone.

Kelly's Limerick:

There once was a group PIM called "GU",
Coached by Dr. Bob, Felix and Esme too,
Speedwork they entailed,
In the end they prevailed,
Now they can relax and drink brew!

Mike's Limerick

I have run many different style races.
And did them at various paces,
But the LP Run,
Has been the most fun,
For a change I am seeing folks' faces!
